**LOT 360 - Antique Arched Detailed Door German Wall Clock Schwingungen Pro Minute 90 1/2 Pendulum**

### Description

Antique Arched Detailed Door German Wall Clock Schwingungen Pro Minute 90 1/2 Pendulum

This clock winds well on the left side, Right side is tight--did not try to force it, kept time for a couple hours that we had it on the wall.

At each Qtr hour the mechanism clicks, but no chime at this time.

Sold as Shown

**Quantity: 1**
