

Sale Name: Johnson Funeral Home Estate: High End Furniture Antiques Mortuary Furnishings & Equipment

LOT 102 - FADA Art Deco Plastic Cabinet Ivory Tube Radio Standard Broadcast Frequency Modulation 66TW

Description

Did not find model number on it, a radio collector said it was a 66TW

Warms up pretty quickly, tubes Glow, Station came in nice and clear (Hall & Oates)

Listed and Described everywhere as Bakelite, but People call all old plastic Bakelite-- this did not pass my Bakelite test.

Quantity: 1
